Welcome Back!

Students and staff are back into the swing of things. It was great to see the smiling faces come through the door on January 4 when school reopened!

A sign has now been posted on the front school doors to remind parents who are picking up children during school hours to check in at the office. For safety reasons, it is essential that staff in the office know if your child has left the school.

Please remember to send a change of clothing for your child to be kept at the school in case of rainy-day emergencies!

School Garden Vandalized

By Natasha Estlin, Student Reporter

Back in November, Sonya Strang worked with the students and parent helpers to replant the front garden. They dug out the old soil, refilled it with new soil, and replanted the garden. Over Christmas break, the tops of all but one of the trees were broken off. Also, when students got back from Christmas Break, they found that one tether ball pole was broken off and another one was bent. The students and staff were all very disappointed.

Olympic Celebrations

Students' Council will be hosting a series of school-wide events on the afternoon of February 2 to get Sunset School into the Olympic spirit.

On the morning of February 3, Sunset students and staff will join the community to cheer on the torch bearers as they run through Port McNeill. We will share more details with families as we receive the information.
